

SUNNY MONDAY

Rosin soap hurts your clothes, and all yellow soaps contain from 20 to 40% rosin. Sunny Monday is white, will double the life of your clothes and contains not an ounce of rosin.

Which would you prefer to use on your clothes—a soap containing one-third rosin (a cheapening ingredient), or Sunny Monday, in which the cheap rosin element is replaced with expensive fats and vegetable oils which do the real cleansing and are kind to clothes?

TWO MILE RELAY RACE IS PLANNED

To Take Part the Grammar School Boys Cut Out Cigarettes.

Athletics in the Grammar School Athletic league have become so interesting that a novel feature, a two mile relay race, has been planned to be held early in April.

Each school will be represented by 16 boys and the race will be run through the city streets to the Y. M. C. A. Each of the contestants will carry a flag of his school colors, will run 230 yards and will give it to his teammate. The team finishing the race first will receive a pennant which will be contested for annually.

This has been planned as a preliminary to the annual field meeting of the grammar school league each year and it is expected that the outcome will be a relay race between the All Star high school relay team and an all star team from the Grammar School league.

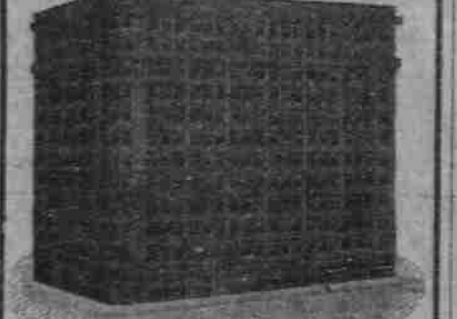

The boys will be kept in training through the spring months and all must abstain from cigarettes. The violation of this rule causes an athlete to be disqualified for three months and is seldom broken. It is doing much to discourage the use of cigarettes by school boys.

FIFTYEYEAROLD BOY DELIVERS KNOCK-OUT BLOW
Denver, Colo., Feb. 9.—The Denver Athletic club boxing and wrestling tournament worked down to the semifinals in all classes and the program unfolded a story of a fifty-year-old boy from Aspen, Colo., in the 105 pound class, who fought like a champion and apparently held a knockout punch in either hand. Harry Riede is the clever pugilist and he disposed of John Cummings, in the second round with a knockout.

There was one disqualification when Lew Young, a Louisville boy in the 115 pound boxing class, entered the ring weighing no less than 135 pounds. The disqualification was made on the referee's personal statement that the man was not Lew Young.

BOOKIES HARD HIT.
Tampa, Fla., Feb. 9.—The victory of Von Loe in the sixth race was the most disastrous blow the bookies have received since the meeting opened here. The horse was held at 10 to 1 and at one time was quoted at 15 to 1. He won with ease with Tony W. second.

GOTCH WINS.
Kansas City, Mo., Feb. 9.—Frank Gotch, world's champion wrestler, won from Gus Schoenlein (Americus) in straight falls last night. The first fall came after 42 minutes, 23 seconds with a half Nelson and Croch hold and the second in 39 minutes, 22 seconds with a toe hold.

RICE RIDES THREE WINNERS AND IS SUSPENDED

Close and Exciting Finishes Mark the Day's Racing Wednesday.

Close finishes were in order at the Juarez track Wednesday. Ted Rice took the honors by riding three winners and bringing in one third, but was suspended for 10 days for disobedience at the post in the third race.

Gay Garner rode his first winner of the season in the last race of the day. Yanker breaks in first.

In the first race Yanker broke and was out on the stretch turn, but he picked up a burst of speed and came across the line first, with Jack Walnwright bounding the dust behind him, while Masalo held third position right to the end.

Wolferton was behind the field part of the way in the second race, but maintained a striking distance and was whipped into the lead with Mike Jordan fighting gamely for the position and finishing second, with Lucky Moose trailing behind.

Mittitas took the third race, a six furlong race from Thurber, in fine style. He laid in behind Dreen until the stretch, when he took the lead and cantered home. Thurber kept well to the front and Smiley Metzger finished strong, taking third place, while Preen showed an abundance of speed, but stopped badly.

In the fourth race Enfield forced the pace all the way round the seven furlongs, caught Vreeland at the eighth pole and outpaced him in a terrific drive. Vreeland held up well to the finish and Gen. Marchmont showed a burst of speed at the end, but it was too late.

Soon was out on early in the fifth race, but picked up a burst of speed and by a terrific drive nosed under the wire in the lead, with Marsand and Petite Oiseau coming fast behind.

In the last race of the day Acumen was out on in the start, but moved up speedily and maintained it easily to the end, while Ben Prior, who was there all the way, was beaten, and Gramercy was well up all the way over the course.
